

**Cumru Township Fire Department  
Training Objectives  
NON-SCBA Qualification  
(Policy 7.6)**

Firefighters riding CTFD apparatus in a **NON-SCBA** capacity will meet the following training objectives. As each objective is met, a command officer will sign his or her name in the appropriate area as evidence of the objective being satisfactorily met. It will be the volunteer fire fighters' responsibility to meet the objectives by enrolling in the appropriate training classes and participating in departmental drills.

This training record pertains to the following fire fighter:

Name: (print) \_\_\_\_\_

ID # \_\_\_\_\_ Date Started: \_\_\_\_\_

**OBJECTIVE:**

**I. Mandatory courses: (Evidence of course completion to personnel file).**

Date:

- \_\_\_\_\_ Introduction to the Fire Service (to be completed within 1 year)
- \_\_\_\_\_ Fire Ground Support (to be completed within 1 year)
- \_\_\_\_\_ Exterior Fire Fighter (to be completed within 2 years)
- \_\_\_\_\_ Hazardous Materials Operations (to be completed annually)
- \_\_\_\_\_ First Aid/CPR/AED (to be completed annually)
- \_\_\_\_\_ FEMA IS 100: Introduction to the Incident Command System (to be completed within 6 months)
- \_\_\_\_\_ FEMA IS 700: The National Incident Management System (to be completed within 6 months)

**II. Recommended courses: (Evidence of course completion to personnel file).**

Date:

- \_\_\_\_\_ PA 130 - Basic Wildland Fire Fighting
- \_\_\_\_\_ Rural Fire Ground Water Movement
- \_\_\_\_\_ PA Dept. of Health Basic Vehicle Rescue Technician
- \_\_\_\_\_ PA Dept. of Health First Responder

**REFERENCE MATERIAL: Essentials of Fire Fighting and Emergency Response  
Pennsylvania Custom Edition**

**III. The following objectives must be completed prior to riding apparatus:**

Safety - Define safety procedures as they apply to emergency operations. The Specific areas to be defined are: Team concept, Portable tools and equipment, and riding on apparatus.

\_\_\_\_\_  
Date Completed                      Officer's Signature

Safety - Identify the five general items of personal protective clothing and their functions. (Chapter 6, pg. 127 - 129)

\_\_\_\_\_  
Date Completed                      Officer's Signature

Safety - Demonstrate the proper method for donning all protective clothing.

\_\_\_\_\_  
Date Completed                      Officer's Signature

Safety – Properly perform a PPE inspection.

\_\_\_\_\_  
Date Completed                      Officer's Signature

Hose - Identify the sizes, types, amounts, and use of all hose carried on all apparatus in your primary station. (Chapter 10, pg. 221-223)

\_\_\_\_\_  
Date Completed                      Officer's Signature

Ladders - Identify the uses of ladders. (Chapter 14, pg. 383 - 384)

\_\_\_\_\_  
Date Completed                      Officer's Signature

Apparatus - Identify and explain the use of all portable equipment carried on the apparatus in your primary station which may be used by a firefighter who is qualified to operate at the Non-SCBA level.

\_\_\_\_\_  
Date Completed                      Officer's Signature

**IV. The following objectives must be completed within two years of acceptance to probationary status:**

Hose - Demonstrate the use of nozzles, hose adapters, and hose appliances carried on all apparatus in your primary station. (Chapter 10, pg. 227 - 228)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Hose - Demonstrate knowledge of the proper method for the following types of layouts: forward lay, reverse lay and Split Lay. (Chapter 10, pg. 269-274)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Hose - Demonstrate the following hose loads: Flat, Horseshoe, Minute Man, and Triple Pack. (Chapter 10, pg. 236 – 243, 245 – 248)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Hose - Demonstrate connecting LDH hose to a hydrant using the hydrant assist valve carried on the engine assigned to your primary station and fully opening and closing the hydrant. (Chapter 12, pg. 424)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Hose – Demonstrate setting up an Engine to draft from a static source. (Chapter 10, pg. 264 – 266)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ladders - Identify each type of ladder on the apparatus at your primary station and define their use. (Chapter 14, pg. 376 - 381)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ladders - Identify the rules for safe handling of ladders. (Chapter 14, pg. 395)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ladders - Demonstrate how to lift and carry ladders safely. (Chapter 14, pg. 395)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ladders - Demonstrate how to place ladders for climbing. (Chapter 14, pg. 390 - 394)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ladders - Operating as an individual and as a member of a team, as appropriate, raise each type and size of ground ladder carried on the apparatus assigned to your primary station using correct flat raise and beam raise techniques for each ladder. (Chapter 14, pg. 400 – 408)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Extinguisher - Describe the proper and safe use of portable fire extinguishers. (Chapter 8, pg.185)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Extinguisher - Identify the classes of fires as they relate to the uses of portable fire extinguisher. (Chapter 8, pg. 185 - 187)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Extinguisher - Given several types of extinguishers, identify the appropriate extinguisher for the various classes of fire. (Chapter 8, pg. 187 - 193)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ropes – Identify the parts of a rope and components of a knot. (Chapter 15, pg. 425 – 426)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ropes - Demonstrate tying a bowline, clove hitch, figure eight, half hitch, becket bend, overhand safety, figure eight on a bight, and a tracer eight. (Chapter 15, pg. 426 - 436)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

Ropes - Demonstrate hoisting the following: forcible entry tools, ground ladder, power saw, and electric fan. (Chapter 15, pg. 449 - 455)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

SCBA – Demonstrate how to change an SCBA cylinder. (Chapter 7 pg. 172 – 176)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

SCBA – Demonstrate how to properly fill an empty SCBA cylinder with both a portable and stationary fill station. (Chapter 7 pg 176 – 180)

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

**V. Explain the Non-SCBA Fire Fighter’s role in the following Cumru Township Fire Department Standard Operating Guidelines:**

- 15.02 Incident Management
- 15.04 Riding Assignments
- 15.05 One and Two Family Dwellings
- 15.07 Commercial Properties
- 15.11 Non-Hydrant Operations
- 15.12 Water Supply
- 15.13 Vehicle Fires
- 15.14 Vehicle Extrication
- 15.16 Hazardous Materials
- 15.19 Carbon Monoxide Alarms
- 15.22 Emergency Medical Services
- 15.24 Fire Alarm Procedures

\_\_\_\_\_  
Date Completed

\_\_\_\_\_  
Officer's Signature

**VI. Verification:**

On (date) \_\_\_\_\_, I have reviewed the fire fighter's personnel folder. All of the objectives for Non-SCBA qualification have been met. Effective immediately, the fire fighter whose signature appears below is cleared to operate on the fire ground in all Non-SCBA capacities.
